AG PRODUCERS OPEN HOUSE, HOSTED BY NRCS & ADAMS SOIL & WATER CONSERVATION DISTRICT

Open House Information Sessions are an opportunity for local farmers, ranchers and private forest landowners to connect with their local NRCS representatives and learn about USDA programs.

You are invited to:

- ✓ Learn about NRCS and Adams Conservation District services
- ✓ Meet your local NRCS representatives
- ✓ Connect with partners and other local landowners
- ✓ Find out about the no-till drill available for rent
- ✓ Bring your soil and water conservation questions
