Scholarships Interviews: The board interviewed Levi Armichardy who is a senior at Council High School. He currently is set to enroll at the College of Idaho, where he plans to pursue a degree in Environmental Science. He loves the outdoors and thinks an ideal job would be to work for the Forest Service as a surveyor.

The board also interviewed Sam Tharp who is a senior at Council High School. She plans to enroll at TVCC and then transfer to a four-year university like the University of Idaho. She wants to pursue a career in agriculture due to being raised on a ranch. She is thinking of having a career as an Ag teacher or a horse chiropractor.

The board was impressed with the scholarship applicants. Including Amy Williams who interviewed at the previous district meeting. Judy moved to award Levi Armichardy, Sam Tharp, and

Amy Williams \$1,000 scholarships per person for a total of \$3,000 of scholarships funds being awarded. Charles seconded the motion and the board approved.
